Here are great reasons we believe in these products:

Proof:

- a. KVAR **guarantees 6% savings**. Commercial (8%-20%) averages 14% savings.
- b. **City of Ames, Iowa** approved KVAR®EC for their Energy Saving Rebate program. Commercial customers receive 50% rebate.
- c. Over **250,000 installations world-wide** reducing electrical usage.
- d. Commercial customers correct power factor and eliminate huge penalties.
- e. KVAR has been selling these patented products since 1995 without a single complaint to the Better Business Bureau.
- f. Commercial units carry **5 year warranty** even covering lightning damage!
- g. Residential units carry **12 year warranty** even covering lightning damage!
- h. Morse Electric, Westphal & Company and local contractors agree they work.
- i. We have independent electrical contractors that do a great job on Residential, Commercial and Industrial installations plus offer ongoing maintenance.
- j. Santa Clara School of Engineering verified savings.
- k. Over 100 local installs reduced kWh usage.
- l. Customer verified savings thru their own Power Company websites.
- m. Customer verified (10) – 100HP electric motors saved over 65%.
- n. Commercial proposals contain patented spreadsheets showing almost exact savings per panel and motor. These are confirmed upon installation before electricians leave the building. **Customers can verify actual savings during the installation process.**

These products have been proven by more than 100 distributors in 7 countries plus many electrical contractors. **We verified these results!**

KVAR®EC Guarantee

KVAR®EC residential panel unit will save a minimum of 6% off your average Kwh consumption over a period of 12 months (compared to 12 months prior to installation) or we will buy it back at full purchase price.

The guarantee is for panel units only and must be properly installed by a licensed electrician in accordance with our installation procedures. During the first 12 months after installation, all things must remain approximately the same as they were for 12 months prior to installation within the home where KVAR®EC is originally installed meaning no major energy consuming additions are made to the building of original installation. This guarantee is given in addition to your Comprehensive 12-year KVAR®EC Factory Warranty.

KVAR®EC 12-Year Residential Factory Warranty

KVAR ENERGY SAVINGS, INC. provides that, if within twelve (12) years from installation date, this product fails due to a defect in material or workmanship or damage by lightning, KVAR will repair or replace the affected unit free of charge. This warranty does not apply to damage caused by:

- (A) Accidental mishandling, dropping or other types of physical abuse.
- (B) Units opened, taken apart or subjected to unauthorized repair.
- (C) Units not installed or used in accordance with instructions.
- (D) Riots, civil disturbances, war or other related acts of God.

KVAR®EC 5-Year Commercial Factory Warranty

KVAR ENERGY SAVINGS, INC. provides that, if within five (5) years from installation date, this product fails due to a defect in material or workmanship or damage by lightning, KVAR will repair or replace the affected unit free of charge.

This warranty does not apply to damage caused by:

- (A) Accidental mishandling, dropping or other types of physical abuse.
- (B) Units opened, taken apart or subjected to unauthorized repair.
- (C) Units not installed or used in accordance with instructions.
- (D) Riots, civil disturbances, war or other related acts of God.

** Warranties do not apply to damages claimed in excess of the cost of the installed units and your actual legal rights may vary from state to state.
